

Knowledge Beyond Measure.

Performing ISO 17025:2017 Accredited Calibrations

Enhancing Your Quality Assurance
and Customer Confidence

TSI® is now offering ISO 17025:2017 accredited calibrations for:

- **AeroTrak™+ Portable Particle Counters**
A100 Series
- **AeroTrak™+ Remote Particle Counters**
6000 Series
- **AeroTrak™+ Remote Particle Counters**
7000 Series
- **AeroTrak™ Remote Particle Counters**
with Pumps

This accreditation provides certificates that include multi-point data, pass/fail statements, and measurement uncertainty values.

ISO 17025 accredited calibration from TSI®:

- Reduces your risk of audit or compliance failures
- Ensures traceability through the accrediting body
- Boosts confidence in your test equipment and product efficacy/safety
- Shows your commitment to superior quality

Currently available in the US only.
