

# TSI LINK™ ACCOUNT REGISTRATION

SETUP GUIDE (A4)

Register TSI Link™ account at <https://tsi.com/register/>.

## NOTE

Confirm email address used to order API data subscription.

- For business accounts the email address needs to be tied to the same business account (TSI® Incorporated's SAP) used when the order was placed.
- Individual (Personal) account needs to use same email.

The screenshot shows the TSI Link account registration page. At the top, there is a navigation bar with the TSI logo, contact information (800-680-1220 / +1 651-490-2860 (US) All Locations), language selection (English), and links for My Account, My Cart (0), and Search. Below the navigation bar, the page title is "REGISTER FOR A TSI.COM ACCOUNT. IT'S FREE AND SIMPLE!". The main content area includes a list of benefits for a TSI.com account: "Download your software or firmware for your product", "Access manuals and quick start guides", "Manage your contact info for quicker ordering", "View your product inventory", and "And more...". Below this, there is a section titled "LET'S START! WHAT TYPE OF ACCOUNT DO YOU NEED?" with two buttons: "BUSINESS" and "PERSONAL". On the right side, there is a "Let Us Help" section with a link to "Find a local distributor", contact information (Call Us: 800-680-1220 / +1 651-490-2860), and a "CONTACT US" button. The footer contains the TSI logo, address (TSI Incorporated, 500 Cardigan Road, Shoreview, Minnesota 55126 USA), and a grid of links for "OUR SOLUTIONS", "SERVICE & SUPPORT", and "DISCOVER TSI".

# Device Registration - TSI Link™ Software or Data Service Subscription

In order to use your device, you will need to register the device(s) to TSI Link™ account with software or API data services paid software subscription ([click here](#)).

## For TSI Link™ Software Subscription Only

1. Login to [TSILINK.com](https://www.tsilink.com) and go to the <https://www.tsilink.com/home> menu (aka, map).

2. Click on **Add Device** icon  at the bottom right of the screen.
3. Enter all required information and click **DONE**.

 **Activate Device**

Please provide the following information to activate your device and see it on the TSI Link map.

Device Details	Device Location

<input type="checkbox"/> Make Device Public Your device data will be shown on the map for other TSI Link customers. This only includes device location and measurements, and other customers cannot export any data.	Convert an address to coordinates at <a href="https://www.latlong.net/">https://www.latlong.net/</a>
<input type="checkbox"/> Indoor Sensor 	

\* = required

4. Adjust the device location if needed.

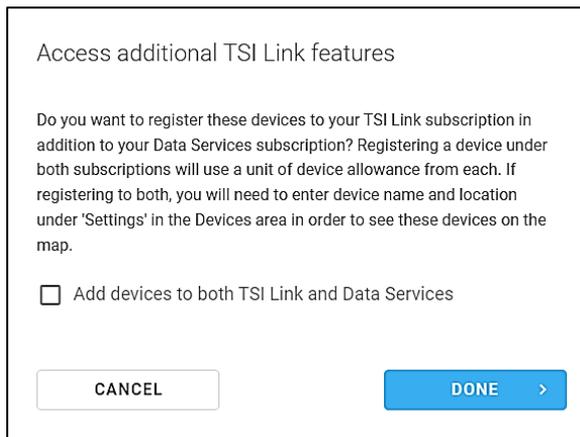

## For API Data Service Subscription Only or API Data Services and TSI Link™ Software Subscription

1. Login to [TSILINK.com](https://tsilink.com) and go to the <https://tsilink.com/api-services> menu.
2. Enter your device serial number. If you have more than one device, use a comma between serial numbers.
  - Click **Submit**.

The screenshot shows a web browser window with the URL [tsilink.com/api-services](https://tsilink.com/api-services). The page has a dark header with the TSI LINK logo. A sidebar on the left contains navigation icons. The main content area is titled 'Secret' and includes a 'NEW SECRET' button with a download icon and a note: 'This will disable your old secret'. Below this is the 'Register Devices' section, which asks the user to 'Enter a comma delimited list of serial numbers for devices you own.' and provides an example: 'e.g. 81441234100, 81441234101, 81441234102'. A note states: 'Devices registered to TSI Link subscription will be added to Data Services, using a unit of device allowance for each.'

3. You will receive a message asking if you want to register for both TSI Link™ (aka, software) and Data Services subscriptions. Check the box according to what subscription you have.
  - Click **DONE**.

The dialog box is titled 'Access additional TSI Link features'. It contains the following text: 'Do you want to register these devices to your TSI Link subscription in addition to your Data Services subscription? Registering a device under both subscriptions will use a unit of device allowance from each. If registering to both, you will need to enter device name and location under 'Settings' in the Devices area in order to see these devices on the map.' Below the text is a checkbox labeled 'Add devices to both TSI Link and Data Services'. At the bottom, there are two buttons: 'CANCEL' and 'DONE >'.
